MUNICIPAL BY-LAWS.

CORPORATION OF DELTA.

A By-law to provide for Repairs for the Works constructed under the "Delta Dyke and Drain By-law, 1895," and to borrow the Sum of Twelve Thousand Dollars (\$12,000) to carry out such Work, Provisionally adopted this 13th Day of September, 1919.

WHEREAS the Municipal Council of the Corporation of Delta on the 5th day of October, 1895, duly passed the "Delta Dyke and Drain By-law, 1895," to provide for the dyking and draining of a portion of the municipality and to borrow the sum of sixty-one thousand three hundred and twenty dollars and fifty-one cents (\$61,320.51) for completing the same; and

Whereas by section 124 of the "Municipal Act" it is the duty of the municipality making such works to preserve, maintain, and keep in repair the same at the expense of the lands and roads benefited; and

Whereas it is provided by section 127 of the "Municipal Act" that when repairs are required to be made are so expensive that the Municipal Council does not deem it expedient to levy the cost thereof in one year the Council may pass a by-law to borrow upon debentures of the municipality the funds necessary for the work and to assess and levy upon the property benefited a special tax sufficient for the payment of the principal and interest of the debentures,—

The Municipal Council of the Corporation of Delta therefore enacts as follows:—

1. That the sum of twelve thousand dollars (\$12,000) be borrowed on the credit of the Corporation of Delta, being the funds necessary for the preservation, maintenance, and repairs of the works constructed under the "Delta Dyke and Drain By-law, 1895," and that debentures of the Corporation to the amount of twelve thousand dollars (\$12,000) be issued in sums of not less than one thousand dollars (\$1,000) each and payable in three years from the date thereof with interest at the rate of six and one-half per cent. ($6\frac{1}{2}\%$) per annum, such debentures, both as to principal and interest, to be payable at the Royal Bank of Canada, in Ladner, in the Province of British Columbia, and to have attached to the coupons for the payment of interest.

2. That for the purpose of paying the said sum of twelve thousand dollars (\$12,000), being the amount charged against the said lands so to be benefited as aforesaid and to cover interest for the three years at the rate of six and one-half per cent. ($6\frac{1}{2}\%$) per annum, the following rate over and above all other rates shall be assessed and levied, in the same manner and at the same time as taxes are levied, upon the undermentioned sections and parts of sections, and the amount of the said special rate and interest, assessed as aforesaid against each section or part of section respectively, shall be divided into three equal parts and one such part shall be assessed and levied as aforesaid in each year for the three years after the final passing of this by-law during which the said debentures have run.

And whereas an action was instituted by the Honourable the Attorney-General on the relation of this Corporation against Charles Caryl Clifton and Hubert Walter Bevan to determine the said dispute, and upon the said action coming on for trial on the 7th and 8th days of January, 1919, an interim judgment was given in the terms of consent minutes, as follows:—

"Before the Honourable Mr. Justice Gregory, Wednesday, the 8th day of January, 1919.

"This case coming on for hearing the 7th and 8th days of January, 1919, in the presence of F. A. McDiarmid, of counsel for the plaintiff, and H. A. Maclean, K.C., of counsel for the defendants. Upon hearing some of the witnesses on behalf of the plaintiff and upon counsel for the plaintiff and the defendants consenting hereto:

"This Court doth order that, upon the relator expropriating and paying to the defendant Clifton the compensation to be awarded upon arbitration under the provisions of the 'Municipal Act,' a road not less than 33 feet in width in the position approximately shown on the plan made Exhibit 1 at the trial of this action, and thereon marked 'F'; upon the plaintiff and the relator effectively closing all other public roads, ways, or trails on, through, or over Swallowfield Farm, except the roads 'C' and 'D' as shown on said plan; and upon the plaintiff or the relator effectively establishing the road 'A' shown on said plan from the main Nanaimo and Victoria Trunk Road to the southern boundary of Section 7, Range 8, Chemainus District, as a public highway, that then the plaintiff shall be entitled to the judgment and declaration of this Court that the said roads 'C' and 'D' are public highways having a width throughout their length of 33 feet.

"It is further ordered that the said judgment or declaration shall provide that all of the said roads are to remain unfenced as at present, and that upon said arbitration the defendant Clifton is not to be allowed anything for fencing said roads, but that at any time the defendant Clifton may require the relator to fence said road 'F' at the expense of the relator, the defendant Clifton, however, having the right at his own expense at any time to fence any of the said roads.

"It is further provided that the said judgment or declaration shall contain a provision that the defendant Clifton shall have the right at all times to maintain gates on said roads as at present, but that he shall not have the right to lock said gates.

"It is further provided that the said judgment or declaration shall contain a provision that each party to this action shall bear his own costs.

"By the Court.

"(Sd.) B. H. TYERWHITT DRAKE,
Registrar."

And whereas it is desirable to carry out the terms of the said judgment and to establish a public highway and close up such parts thereof as shall no longer be used as a public highway in accordance with the terms of the said judgment:—

Now, therefore, the Municipal Council of the Corporation of the District of North Cowichan enacts as follows:—
